

# 5-in-1 Survival Flint Fire-Starters Bracelet

Everything You Need to Survive a Catastrophe - All On Your Wrist!

*Flint-and-steel in action*

1. Start a fire in a pinch w/ the flint
2. Use the scraper as a knife to cut cord or food
3. Find your way back to the path using the compass
4. Signal help when you're stranded w/ the whistle
5. Secure gear or tie down equipment using the paracord string
